

## Corporate Partner ConNEXTions

We believe partnerships should be Power-Full ConNEXTions that propel people to their "NEXT" steps of growth. We partner with businesses and organizations who know and understand that giving has as much impact as receiving. We help our partners GROW their businesses forward, into the community and hearts of those we serve.

### Touching lives through the power of ConNEXTion!

- Partners are invited to join the ranch during any community event for Champion Building
- We have partnered with Debbie Forcier-Lynn *PCC, MP-ELI, CPBA, CPVA* – An International Corporate Executive Coach who successfully trains organizations to shift to a coach focused approach. Debbie is a Communication Energy Expert and offers leadership training to all of our partners.
- Our partners will be able to grow and **NEXT**work (our version of Networking) together at our events and annual ConNEXTion BBQ. This will be your time to meet all the sponsors and even gain new mutual relationships to expand your own business as we all expand to our NEXT steps together.
